

SELECTION PROCESS

The qualifications of each applicant, as set forth in the employment application, will be reviewed. The City will be using the Firefighter Candidate Testing Center (FCTC) Statewide Eligibility List (SEL) and **all applicants must be on the FCTC SEL by July 27, 2018 and meet the minimum qualifications for Firefighter-EMT including possession of required certifications (valid EMT Card and Cal-JAC CPAT card). Passage of the Cal-JAC CPAT and the FCTC Written Test must be within one (1) year of application deadline (on or after July 28, 2017).** Applicants who are not on the FCTC SEL will not move forward in the process. Additional information on the FCTC SEL, testing dates and locations can be located on the FCTC website: www.fctconline.org. This is a competitive process and only the top candidates will be invited to an oral interview. Candidates under consideration for conditional appointment must pass a background investigation. The selected applicant must pass a psychological evaluation, polygraph examination, and medical examination prior to regular appointment.

Note: The LPFD, at its sole discretion, may suspend, modify, or cancel this examination at any time before its completion. Work periods and workdays are subject to change dependent upon the operational requirements of the LPFD. The information contained in this announcement is subject to change and does not constitute either an expressed or implied contract.

cityofpleasantonca.gov

The Department

The Livermore-Pleasanton Fire Department (LPFD) has a strong dedication to safety, dignity and respect for all. The Department was formed through a Joint Powers Agreement and serves a combined residential population of approximately 174,000. There are 10 stations, 99 suppression personnel, 8 engine companies, 2 Quint/ladder units and a mix of 3 to 4 person crews. First responder paramedics are staffed on all 10 companies.

The Department provides specialty rescue and hazardous materials response units, a large, fully-equipped training facility, maintains a certified Rescue Systems One training site and has specialized rescue equipment. The Department has a large, full service fire prevention bureau, including three inspectors responsible for CUPA hazardous materials enforcement. The Department's diverse public education program demonstrates its approach and commitment to fire safety using an interactive "safety-training trailer" for use at public events. Various disaster preparedness coordination and community training programs are also provided for both communities.

The Communities

The vibrant City of Livermore is a growing and progressive community which has become a cornerstone of the Tri-Valley region in the San Francisco Bay Area. The community takes great pride in its outstanding school system, low crime rate, peaceful neighborhoods, and open space. Livermore has a diverse population of over 89,000 residents. The character, heritage, and smart growth of Livermore makes it a special place to live, work and play.

One of Northern California's premier residential and business communities with a population of 85,000 residents, Pleasanton is well regarded as an attractive and friendly city with a strong heritage, active and involved residents, a wide variety of services, well planned business areas, a historic downtown and well-cared for homes in family oriented neighborhoods. Pleasanton offers a small-town ambiance with a metropolitan edge, economic vibrancy, and all-around excellent quality of life.

The Position

Under supervision, a Firefighter-EMT responds to all types of fires, emergency medical, hazardous materials releases, rescue, and other calls in the protection of life, property and environment; operates and maintains vehicles, apparatus, equipment, stations and communication systems; teaches fire safety to public; participates in physical fitness and career development programs; and performs other duties as required.

LPFD has adopted the IAFF Wellness-Fitness Initiative in its entirety. All employees hired after January 1, 2012, are required to be tobacco free while on duty.

THE IDEAL CANDIDATE

Will possess knowledge of:

- Fire department operations, such as rescue, firefighting, medical assistance, radio communications, Incident Command System (ICS), fire protection equipment and systems, fire behavior, hazardous materials and water systems; Federal, State, and local laws, regulations and standards; minor maintenance and repair of vehicles, apparatus, and equipment; emergency medical procedures as prescribed in the State of California Emergency Medical Technician curriculum in accordance with California Title 22; standards as defined by the State FF California Firefighter I curriculum.
- Basic mathematics, chemistry, and physics of fire behavior and hazardous materials.
- Safety practices and procedures.
- State of California Driver/Operator 1a and 1b and Hazardous Materials Specialist curriculum preferred.

Will have the skills and abilities:

- Communicate effectively both orally and in writing.

Education:

- Graduation from high school or GED equivalent

License:

- Valid California Driver's License and, when required, a valid Medical Examiner's Card must be maintained.
- Possession of a valid California Class C Driver's License with firefighter endorsement is required within 18 months of employment.
- Current National Registry EMT or California equivalent. Alameda County certification required by completion of LPFD academy.
- Possession of a Firefighter I Certification preferred.
- Candidates must possess a valid CPAT card issued between July 28, 2017 and July 27, 2018.
