SELECTION PROCESS

All applicants must be on the FCTC list at the time the recruitment closes. Only those candidates that score 70% or higher are eligible to apply.

Candidate must complete and submit:

- A City employment application
- Cover letter and resume detailing experience and training
- All required licenses and certifications. Failure to do so will result in non-consideration.

Upon screening of the above requirements, applicants whose qualifications best meet the requirements of the position will be invited to the examination process. This process may include, but is not limited to an oral interview, assessment, and Chief's interview. Those candidates who pass the examination process are placed on an eligibility list from which the final selections will be made.

The candidates chosen for the position must successfully pass a pre-employment medical examination, including a drug screen, background check, and reference check. The candidates chosen must also be able to provide proof of U.S. Citizenship or legal right to work in the United States.

Visit the City's website to apply: www.patterson.ca.gov

Oral Interviews and Assessment- July 09, 2025
Chief Interviews - TBD
Date of Hire - August 2025

THE COMMUNITY

In a Metropolitan Statistical Area, the City of Patterson is the heart of the San Joaquin Valley and our vibrant City offers residents a safe, diverse, and friendly community rich in heritage. Patterson has a resident population of approximately 25,000 and is located in Stanislaus County. It is 45 miles southeast of Livermore, is part of the Modesto Metropolitan Statistical Area. Patterson is known as the "Apricot Capital of the World."

Patterson is a rural, small town surrounded by agricultural land and has grown immensely during the past decade. Agriculture and industrial warehousing is the City's primary economy with an array of fruits and vegetables playing an important role in Patterson's history.

Today, Patterson continues to take pride in its rich heritage while promoting balanced growth in a well planned community. New neighborhoods blend well with the historical homes of Patterson's past. Commercial and industrial growth also meet design guidelines which enhance our community.

THE ORGANIZATION

The City employs over 150 full-time employees and operates under a Council-Manager form of government. The City Manager is responsible for all City Departments to include Administration, Finance, Public Works, Recreation & Community Services, Fire, Community Development and Engineering.

The annual budget for Fiscal Year 2024/25 is approximately \$117,108,000.

MISSION STATEMENT

The City of Patterson proudly promotes a healthy, safe and vibrant community. We are dedicated to delivering excellent services and engaging meaningful public participation.

THE DEPARTMENT

The Fire Department operations are provided by a staff of 27 (including the Chief) with an annual budget of \$9.1 million operating from Stations 51 and 52 and provides services to the incorporated areas of Patterson, approximately 7.8 square miles, and provides Mutual/Automatic Aid to surrounding agencies. The Fire Department responds to approximately 2,500 incident calls annually operating two ALS (Non-Transport) Engine Companies and cross-staffing apparatus includes: OES Type 1, OES Type 3, Rescue Boat, and a Ladder Truck. Each station and shift is staffed with a Captain, Engineer, and Firefighter, with a minimum of one licensed Paramedic.

Due to the unique and diverse nature of our response area, we service a wide range of emergencies including structure fires, vehicle accidents, water rescues, technical rescues, vegetation fires, and medical aids.

HISTORY

The Patterson Fire Department (PFD) was formed in 1935 as an all-volunteer agency. As the area grew, the City hired its first paid Fire Chief and Administrative Assistant. As the City began experiencing rapid growth in early 2000, the City hired its first two Division Chiefs. The first career firefighters were hired in 2005.

THE POSITION

- Fights fire under departmental procedures to include connecting and laying hose lines, setting ladders, operating fire streams; using equipment and power tools to ventilate and enter fire structures.
- Protect life and property from fire and other hazards by preventing, controlling and extinguishing fires.
- Provides first responder medical emergency response at the basic life support level.
- Provide Advanced Life Support first responder emergency medical care and assistance to victims of accidents, injuries or illness. (Paramedics)
- Maintain fire department apparatus and equipment and perform maintenance tasks.
- Participate in all company activities, including fire prevention, pre-fire planning, public education, and training.

Education:

- Possession of a high school diploma or GED.

Licenses or Certification:

- All required licenses and certifications must be submitted at the time of application. Failure to do so will result in non-consideration.

Firefighter Paramedic:

- Current Class C California Driver's License. Firefighter endorsement by end of probationary period.
- Valid National Registry EMT-P or CA Paramedic License.
- Ability to obtain Stanislaus County EMSA accreditation within 60 days of appointment.
- BLS and ACLS
- PALS and BTLS or PHTLS by time of appointment.
- Firefighter 1 certification (California State Fire Training), or graduation from a California State Fire Marshal's Firefighter I Academy or possess 12 college credits from a Regionally Accredited Fire Technology or Fire Science college or university level program.
- Successfully complete Firefighter Academy once hired.
- Hazardous Materials FRO Certified.
- ICS 200 Certification

Other Requirements:

- 21 years of age or older. No use of tobacco products.
- Must be current on the FCTC Statewide Eligibility List. (For more information on how to be placed on the FCTC SEL, visit www.FCTCOnline.org)
- Cal-JAC CPAT (Candidate Physical Ability Test) Card and passing score on the FCTC Written Test must be dated within one year of application.
