The California Fire Foundation, in partnership with the FCTC, awards financial hardship grants to qualified applicants to cover all FCTC/CPAT testing fees. For more info, please visit www.fctconline.org/candidates/financial-hardship/

Please Note:

-A candidate must successfully pass a thorough background investigation, including a criminal history check, fingerprinting, psychological test, credit check, and a drug use history, to be considered for this position.

The City of Sacramento requires all newly appointed employees to be fully vaccinated against COVID-19 as a condition of employment. Candidates seeking an accommodation from this requirement will be considered on a case-by-case basis.

Fire Recruit is a training-level classification that exists solely for those who are completing their initial Sacramento Fire Department Training in the Sacramento Regional Fire Academy. Fire Recruits undergo a formal training program that meets the California State Firefighter 1 curriculum standard. Academy instruction includes basic training in firefighting methods, equipment operations, Emergency Medical Services (EMS), and physical fitness. Successful completion of this Academy is required, even if similar training has been achieved elsewhere. Failure to complete the Academy successfully will be cause for release from City employment. Upon completing the training requirements and graduation from the Academy, a Fire Recruit is eligible for probationary appointment to Firefighter (EMT or Paramedic).

DISTINGUISHING CHARACTERISTICS

Fire Recruit is a non-career developmental classification used to recruit and prepare qualified candidates for advancement to the journey-level classification of Firefighter (EMT or Paramedic). Incumbents in this class undergo a formal training program in the Sacramento Regional Fire Academy, where they receive their California Firefighter 1 certification upon completion. Under close supervision, the Fire Recruit must gain an understanding of lifesaving and firefighting methods through intensive academic instruction and specialized training. Classroom academics, hands-on training, and daily physical fitness training will be required.

Upon satisfactory completion of the training and graduation from the Academy, a Fire Recruit is eligible for a 12-month probationary appointment to the career classification of Firefighter (EMT or Paramedic).

Fire Recruit is distinguished from the Firefighter (EMT or Paramedic) in that the former is a recruiting and training level classification, and incumbents do not perform emergency duties outside of closely supervised training drills. Firefighter (EMT or Paramedic) is a journey-level classification, and incumbents are expected to perform the full range of responsibilities of a Firefighter (EMT or Paramedic).

SUPERVISION RECEIVED

Immediate supervision is provided by higher level Fire and Civilian personnel.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Depending upon assignment, duties may include, but are not limited to the following:

- Attend assigned training sessions for both classroom training and manipulative exercises and drills.
- Learn concepts of fire science and firefighting methods, including safety practices.
- Studies and completes homework assignments.
- Takes periodic quizzes, tests, examinations, and evaluations.
- Learn basic defensive driving techniques and emergency vehicle operations of fire apparatus.
- Learn equipment operation and maintenance procedures and practices.
- Learn to operate fire extinguishers, hose lines, nozzles, and similar equipment used in extinguishing fires.
- Learn to raise, lower, and climb ladders.
- Learn salvage and overhaul operations.
- Learn basic emergency medical procedures.
- Learn the organization, chain of command, policies & procedures, and the rules and regulations of the Sacramento Fire Department.
- Successfully participate in and practice physical fitness training.
- Learn other related courses or programs as required.
- Other related duties as assigned.
